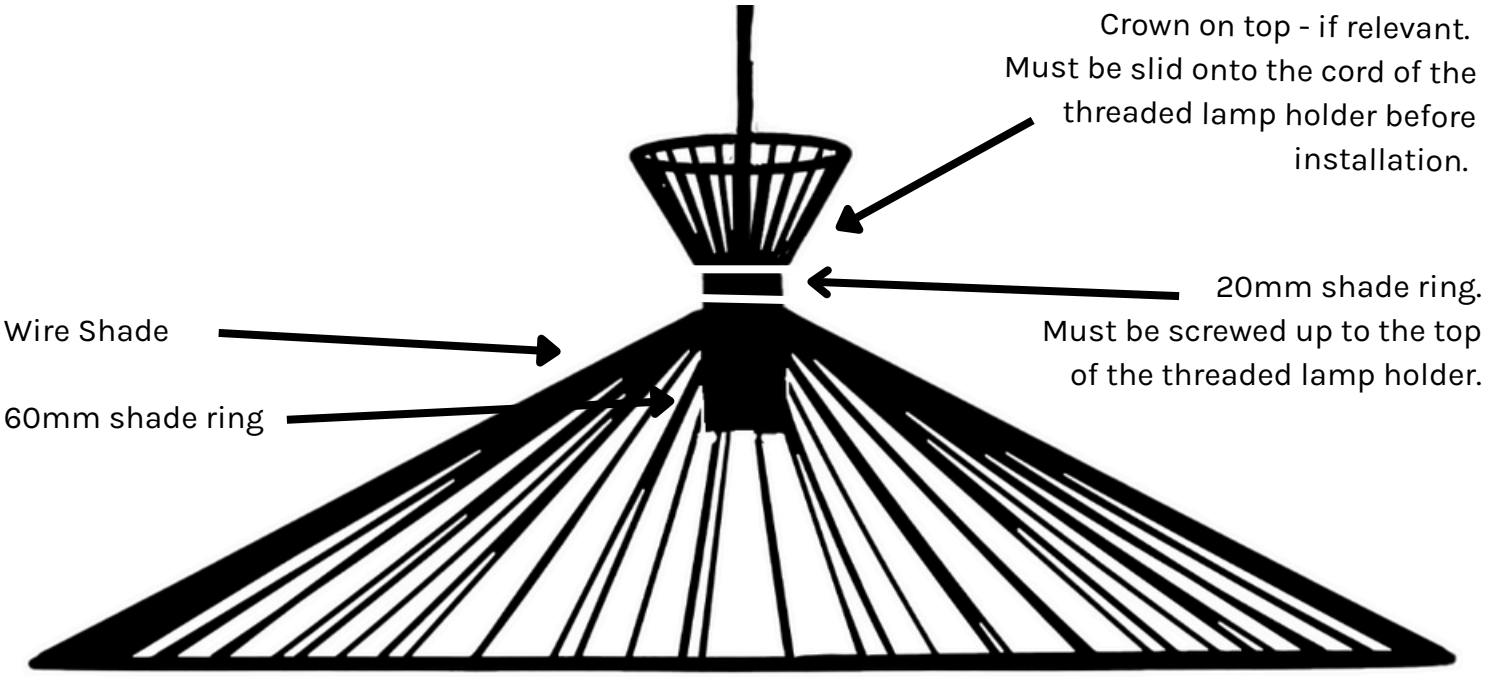
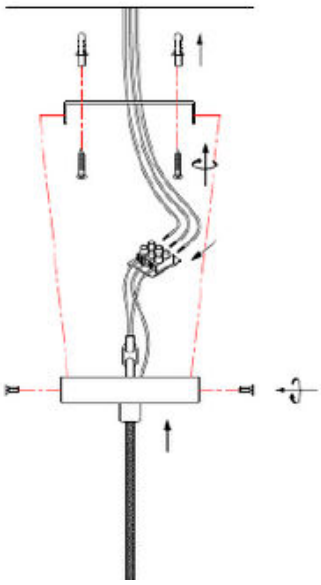
ICO Traders/Mr Ralph Lighting
Wire Pendants

Assembly and Installation Instructions



PENDANT INSTALLATION INSTRUCTIONS



- Have your pendant installed by a qualified registered electrician.
- Ensure the main power supply is switched off.
- Prepare everything in a clear area.
- Unpack all the components and assemble the lamp holder.
- Shades can be added once the lamp holder is installed if preferable.
- Install the mounting bracket from the ceiling rose onto the ceiling by using the wall plugs and screws.
- Use a screwdriver to loosen the grub screw on the ceiling rose's cord grip.
- Adjust the power cord to the desired length then thread it up into the ceiling rose's cord grip and tighter the grub screw again.
- Connect the main power supply wires to the terminal block (brown – live, blue – neutral, green/yellow – earth) making sure all connections are tight.
- Install ceiling rose onto the mounting bracket and secure by tightening the screws on the sides.
- Install the bulb into lamp holder.
- Secure shade (if relevant) by screwing the bottom shade ring up the lamp holder beneath the shade, if you have not already fully assembled the pendant.
- Reconnect power supply.
- Light Source E27 60W Max.
